Budget 2018

Will the Minister of Finance again look to Personal Income Tax to help shore up the holes in the budget? What else will be proposed for the future?

Tax changes

Foreign income tax rules have been relaxed – what will the effect be? Bursary tax relief has been significantly widened in scope and increased in value. Far-reaching changes have been made to the taxation of travel reimbursements and the manner of reporting on tax certificates. Non-Executive Director tax rules will be wrapped up, as well as the advisability of employer loans to employees.
